

Catering by Sagebrush Café brings a personal touch.

Catering by Sagebrush Café offers many levels of assistance for your important events. We customize our service to your specific needs and budget. We provide the same attention to detail for events large or small. Whether you pick up a single menu item at our kitchen or we assist you with full event planning and food service, you can be assured that you will be pleased that you chose us.

We make catering look like child's play!

Our foods are all prepared in our fully licensed, insured, and clean professional kitchen.
